

Law Transition Activity

Activity: Law Reform ~ Influences on Law Making

When Parliament makes a law they are influenced by many factors. Referring to the table below, research the different factors and outline how each one can have an influence on what laws are made in this country. Give examples of specific Acts of Parliament that have been created as a result of any one or more of these influences..

The following links may be useful but they are not exhaustive. Feel free to explore other sources and websites. Ensure that you focus on UK Law making only.
